CERTIFICATE OF APPROVAL

This is to certify that the Quality Management System of:

**EA Technology Ltd
Capenhurst Technology Park,
Capenhurst, Chester, Cheshire
United Kingdom**

has been approved by Lloyd's Register Quality Assurance
to the following Quality Management System Standards:

ISO 9001:2008

The Quality Management System is applicable to:

International provision of technical consultancy, development and supply of instrumentation and software products. International delivery of technical and analytical services including substation assessment and overhead line monitoring. Power skills training to owners, operators and users of high voltage power equipment. Provision of technical consultancy covering new energy technologies, smart grids, strategic asset management and network asset management. Provision of forensic investigations of substation equipment and HV insulating oil analysis. All of the above provided to owners, operators and users of high voltage power equipment to assist in the management of their assets.
